Jennifer Quinn and Nancy Kelbaugh founded All-Pro Placement in 2002 with the goal of exceeding client expectations with every professional placement. The company has grown steadily, now serving more than a dozen states, with staff as far as Arizona. All-Pro anticipates doubling its business base in the coming year. This success is due to its strong relationships with clients. They understand that the purpose of every hire is to simultaneously advance someone's career while referring an employee who will help a company thrive. The family-owned business (Nancy is Jennifer's mother-in-law!) is on the *Baltimore Business Journal's* list of the city's 50 fastest-growing private companies. Numerous other accolades include the SmartCEO Brava and Executive Management awards, and the Top 100 Women Owned Businesses in Maryland from *DiversityBusiness.com*.
